

Let's Go!

on a field trip to

TROT
Therapeutic Riding Of Tri-Cities

Explore, Learn, and Connect with Horses

MAKE IT A DAY TO REMEMBER:

Field trips typically last two hours, but schools are welcome to extend their visit to enjoy a picnic lunch on our scenic property.

The cost is \$299 for the entire experience.

From elementary to middle school.

TROT's field trips are adaptable for all ages. Each station incorporates age-appropriate activities and fosters a love for learning in every student. We also accommodate special needs groups with adaptive learning approaches.

Contact info@trot3cities.org or call 509-412-0112 for more information.
